### **Married Couples**

There are so many couples who believe that their marriage is hopeless. We disagree! We believe that Your Marriage Can Succeed!!! Here are some testimonials from our seminars.

- My marriage was on the rocks the night before the course began and now we are stronger than ever.
- We were having a difficult time recently and it taught us to deal with outside situations better and not take it out on each other. We also communicate more effectively and value our marriage more.
- It helped us communicate better with each other.

### **Dating/Engaged Couples**

We believe in proactive marriage intervention. Why wait until your marriage is falling apart to get help? Therefore, we encourage engaged and seriously dating couples to attend our seminars. Here are some testimonials from these couples.

- The class gave me an insight into the lives of married couples facing different types of challenges and ways to overcome them.
- It has had a very positive affect on my relationship and provided insight into humility and the benefits that come with it.
- Not married yet, but I feel better prepared to handle obstacles and get the most out of it when we do.
